

Restoring Contents

And The American Dream

- ✔ Does your current job provide you with a **sense of fulfillment**?
- ✔ **Are you passionate** about what you do?
- ✔ Do you have the **freedom to live your life** outside of work?

Archive Contents can help you achieve all of these things and more. A contents restoration franchise may not have been your initial vision for business ownership, but some of the best opportunities are those you least expect.

A Recession-Resistant Franchise

Unlike other franchises, our performance isn't dependent on the economy. The reality is, fires and floods are going to happen. We're not happy when people experience a disaster, but we are happy to be able to help.

The Advantage Of Being Original

Archive Contents is the only national brand capable of restoring soft goods and all other contents under one roof. By serving this niche market within the restoration industry, we've created an exciting new vertical in the world of franchising.

For as little as \$39,000
you can open the doors to your
new Archive Contents franchise!

The Benefits Of Becoming An Archive Contents Franchisee

Restoration is more rewarding than you think – especially when you join our team. We are on a mission to be the national leader in contents restoration and with a combination of empathy, experience and efficiency no one else in the industry offers, we are well on our way.

You don't need restoration experience to succeed because we provide:

- An easy-to-follow business plan
- A dependable support & training program
- An established national presence, marketing & promotion
- Our own proprietary business management system
- A sense of fulfillment & flexible schedule

Convert Your Business

You're in the contents restoration business and you're doing well – but you could do better. As an Archive Contents franchisee you can leverage our brand recognition, benefit from our connections and focus on what you know and do best.

Complete Your Business

You already own a business relevant to restoration like moving, dry cleaning, etc. Becoming an Archive Contents franchisee is a complementary opportunity that will allow you to handle everything in the case of a fire, flood or other disaster.
